What They're Saying About Our Catering...

"We have been using Boxer BBQ for nearly five years for church-wide special events and large group gatherings. The food is always wonderful and the service is outstanding. We will continue to use BoxerBBQ for our gatherings."

~Dr. Robin Ziegenfuss
Minister of Worship and Music
First Christian Church

"I have been a huge fan of Boxer BBQ for years. From the first second I walked in the restaurant I knew I had found my new love affair. The food is simply amazing and its always my personal goal to finish my plate like my dad taught me to do but I never succeed. The portions are massive to say the least. When you go to boxer you can expect a few things. 1) amazing food 2) left overs and 3) friendly small town atmosphere.

Boxer has catered for our radio station several times and each time they take great care of us. The week leading up to the event is like Christmas for the employees and I get asked about 500 times how much longer until Boxer gets here. When people hear of catering they rightfully assume that there is going to be small portions. This is simply not the case with Boxer BBQ. The Pulled Pork sliders and Brisket sliders are about double the meat you will get at a fast food chain.

When looking for a restaurant to cater your next event you simply cannot go wrong with Boxer BBQ. Not only will you be satisfied with the portions, flavor and price but they go out of their way to make sure you are happy and that is something that is shockingly lacking today."

"I order for group meetings at my place of employment. They are great to work with when we need delivery service. The food is spectacular - best BBQ I've ever had!"
